Life insurance

A critical part of comprehensive wealth planning

Whether you require income replacement, estate planning, liquidity or tax-efficient investing, we work closely with independent providers to support your needs. Our open-architecture model enables us to identify state-of-theart insurance solutions from a broad variety of providers.

Tailored life insurance solutions

We provide access to a range of insurance solutions to suit your specific needs and circumstances. Depending on your jurisdiction, these include:

- Term life insurance
- Survivorship ("Second to Die") life insurance
- Private placement life insurance
- Universal life insurance

Breadth of solutions

You can expect a professional evaluation and thorough explanation of the coverage options available from our independent providers.

A holistic approach

We will work closely with you to incorporate your life insurance solution into a comprehensive wealth management plan for you and your family.

Strength of understanding

Our partners will also help you optimize the cost-effectiveness and benefit of your coverage.
